What you're about to hear ain't never been heard, so get your greens ready your flame on . Spark It.....

15 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Hip Hop Details: From the swamps down south, meet Hip-Hop's newest arrival: Brown Skin Natives. B.S.N. is comprised of brothers Paul and Tony Alvarez. Born in Puerto Rico and raised mostly in Central Florida, the brothers grew up listening to Hip-Hop music. As youngsters they performed with two other siblings as "Human Race". Ten years later, having honed their skills and fueled by their passion, Paul and Tony emerged from Central Florida's Hip-Hop underground and captured the attention of Ruben Ruiz (Writer/Producer/Guitarist ) and Jimmy Claudio (Writer/Producer). The collaborative effort between these individuals has resulted in a style and sound unheard of in the music industry today. Heading towards the future, the Brown Skin Natives look forward to becoming a permanent fixture in Hip-Hop Culture.
