

## Mp3 Dan Rowan - Serious Business

[DOWNLOAD HERE](#)

Contemporary Pop sound combining refined melodies and lyrics in rich musical arrangements of originals and classic covers. 9 MP3 Songs in this album (42:46) ! Related styles: POP: with Live-band Production, JAZZ: Jazz-Pop People who are interested in Michael Franks John Mayer Michael Bubl should consider this download. Details: Dan Rowan has been playing keyboards, singing, writing, and producing music for close to 40 years. His background and education has been in both classical and jazz piano. However, Dan's heavy exposure to 70's and 80's pop music fostered a love for Pop music and a great desire to be one of those singer/songwriters who can create a great piece of music by marrying rich lyrics with strong musical ideas.
