Contemporary Christian Music 20 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: Soul
Details: Recorded live, this CD is based on the popular Prayer of Jabez, and features contemporary Christian worship by the writer of the theme for the TLC channel's "TRADING SPACES"! "...I sat last night and listened to the entire So Glad CD and just wept." "Listening to the worship tape that you and the choir group make just fills my heart with joy. Pray Over Me is the tune I wake up with most mornings. It is so good to have a song on my heart when I wake up." "'So Glad!' is, for me, a shout of freedom. NorthStar means freedom to me on many levels, the most important being freedom to worship and love on the Lord as I wish. The joyous singing on the CD speaks to that freedom." "This CD can change others lives if they will just allow it to and that is my prayer for each and every one I give out. Thank you for giving us the worship experience and such a blessing of a gift to give to others." ABOUT DAVE GIPSON... Dave Gipson is a worship leader, writer, composer, and speaker. During his tenure in church ministry, Dave has been successful in transitioning believers from self-serving observance to "God-sensitive" worship. Dave is the composer of the original theme for the popular TLC cable TV program "TRADING SPACES". His worship conferences encourage churches to move their members from spectators to participators in God-honoring worship.
