East Coast, hip hop with sophisticated hustler appeal 8 MP3 Songs HIP HOP/RAP: East Coast, URBAN/R&B: R&B Rap mix Details: DL Triplebeam Entertainment The Next Independent Major Movement In Hip Hop Only the strong survive is a phrase often used by many but can only be attributed to a few. DL is one of the few. Born and raised in Queens, New York, it wasnt long before DL was introduced to the struggle of the street game. Initially he found false salvation in the streets, but the hustle, run ins with the law and the loss of close friends was taking a toll on this seasoned hustler. Believing that only strength can carry you through was his mantra that led him out of harms way and into what was in his heart all along, music. Growing up he listened to LL Cool J and Run DMC and the hip hop movement began to influence this then young, impressionable youth, as an artist. While time progressed, DL honed in on his craft and began his evolution into and MC that was soon to be reckoned with. Fast forward to present time and the picture is crystal clear. DL is known as a crafty MC that talks the talk, but more importantly, walks the walk. His mixed CDs are hosted by the industries best, such as LAs Truly odD(Power 106) and New Yorks DJ Absolute(Hot 97) and can be heard across the globe. From LA to Miami the streets are a buzz with this cat that sounds like LL and with a show that is bananas. His single Stand Up (We Here Now) has charted on various stations and Record Pools. Now DL has released 2 new singles videos T.T.S. (Right There) BossMan. Both joints are sure to be bangers off his new CD entitled King Of Paper Chasin in stores Jan 07. If you like Jay-Z, 50 Cent, Eminem, Ludacris You wont help but to feel DL. In hindsight, there isnt much that DL would change about the decisions in his life. They have helped him to build character and made him stronger in preparation for his climb to the top. In todays entertainment industry, focus, determination and consistency are all tools of the trade. DL encompasses all of these tools as an artist and all of the attributes of a wonderful human being. All things considered,

success is not a choice, its eminent.
