

## Mp3 E. Frank Murphy - Lone Wolf Too

[DOWNLOAD HERE](#)

Country rock and pop 10 MP3 Songs COUNTRY: Country Rock, POP: Pop/Rock Show all album songs: Lone Wolf Too Songs Details: Lone Wolf 11 is the follow up to Lone Wolf. It is a mixture of cover tunes by some of my favorite song writers and recording acts such as Jessie Winchester, John Prine, Norman Greenbaum (Spirit In The Sky), The Byrds and Sawyer Brown. I have also written five original songs for this album including "He's Still A Welder" the follow up to "He's A Welder", "The Weekend" was written for a friend who died in a motorcycle accident on labor day weekend. This album is dedicated to him. "Through The Eyes Of A Blind Man" was originally written by me a few years ago and is pretty well self evident. I wanted to write a fifties type song so here's "Baby Come Back" and then I thought what to hell, I'll write a sixties song too so here's "I Came From Rock'n'Roll". I had a lot of fun recording this CD and I hope you will enjoy listening to it. EFM
