The debut CD of one of the top bands in the Honduras Rock en Español scene, from latin power pop to hard rock, with two bonus track sung in english. 14 MP3 Songs LATIN: Rock en Español, ROCK: Classic Rock Details: Khaoticos comes from the city of San Pedro Sula, Honduras, Central America. Although Khaoticos is a relatively new band, its origins and roots lie in another popular rock band called "khaos" , both sharing Max Urso as guitar player. This time Max's new musical adventure carries along some new faces: Steve Atkinson (vocals and percussion), Adrian Munguia (vocals and keyboards) and Luis Martin Rodriguez (drums) All of them outstanding personalities in the Honduran music scene. Khaoticos has conquered the most important stages in Honduras (an average of 150 concerts per year), and in Central America (Guatemala and El Salvador) as well. Original Khaoticos' songs such as "Aire", "Hold On", "Hablame/Mienteme" "Luna De Papel" and "Maana Mismo" are to blame for the increase of their popularity, which has already surpassed frontiers. Their music is being played all over America, from Argentina to USA and even in some European countries. In January 2004, khaoticos released their first CD under the label "Costa Norte Records". The long awaited album was titled "Regalando Cerezas a Lucia", which includes 11 original songs and three bonus tracks.
