The Lou Haskins Orch. has a distinct sound, that sounds like Glenn Miller, Harry James, Count Basie. 17 MP3 Songs JAZZ: Swing/Big Band, JAZZ: Big Band Details: The Lou Haskins Orchestra plays music of the Big Band Era recorded with the latest technology, with the full compliment of "REED", "BRASS", and 'RHYTHM' sections. Original instrumental orchestrations were carefully chosen in regard to the best composers and arrangers. These were recorded, for the most part, in their original length, which was the authors intention. The Rhythm Section, you will notice, is keeping the time and the typical "Swing" beat, which at one time was stated as "beat me daddy eight to the bar" (quote from drummer Ray McKinley). The Reed Section (two Alto Sax's--two Tenor Sax's--and a Baritone Sax) help bring in the beautiful sounds of Glenn Miller. The Brass section (three Trombones and three Trumpets) add the proper balance, accents, and downright SWING to the fabulous arrangements. So much for the above comentary....All that I can say now is: YOU HAVE GOT TO HEAR IT!!! Lou Haskins
