mid -west rap/hip-hop with a gangsta flavor 15 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP:

Alternative Hip Hop Details: Low Life is a mid-west rap/hip-hop group from OHIO their beats and lyrics set them apart from the average rapper. Once you sample their hit single "Definition Of A Low Life" you begin to understand how these two MC's are able to get the party rocking. Also the single "Fat Gold Chain" says it all about how we value the small things in life and not the important thing that matter. I suggest to all real rap/hip-hopper to check this group out their message is one you don't want to miss.
