Sometimes powerful, sometimes soothing background music with elements of Pop, Rock, Trip-Hop, Dance, Ambient, R&B and more. 10 MP3 Songs ELECTRONIC: Pop Crossover, POP: with Electronic Production Details: With Aqua Echo, M. Matlock demonstrates her range of musical influences, and her growth as an Electronica artist since the release of her albums "Solarise" (2005) and "Prysmatic" (2006). M. Matlock is known for her multi-layered instrumentation, and Aqua Echo is no exception. The songs on Aqua Echo are richly layered and each time that you listen, you will hear something new that you did not know was there. While most of the songs on Aqua Echo cover many genres, from Dance, Trip-Hop, Pop Ambient, etc., some are in a category all their own. Even so, Aqua Echo is a very easy album to get into. Some songs are high-energy Dance or Electro-Pop, while others are soundscapes that urge you to just sit back and listen while your mind wanders to somewhere strange and beautiful. Aqua Echo is a surprising and enjoyable album, and anyone who enjoys a wide variety of good music, spanning many genres should definitely pick this one up.
