

# Mp3 Mr. Billy - Hello, My Name Is Mr. Billy

[DOWNLOAD HERE](#)

From pre-K to pre-teen this CD release by two time Children's Music Web Award winner Mr. Billy is educational, entertaining, upbeat and just plain fun. Great for traveling in the van or dancing around the house. 14 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: H-E-L-L-O! Mr. Billy is a full time academic entertainer from De Pere, Wisconsin. Mr. Billy, a two time Children's Music Web Award winner, has also been voted "Northeastern Wisconsin's Family Favorite Children's Entertainer". There are three Mr. Billy CDs available, "Hello, My Name is Mr. Billy" and the "Fruitcake" (AWARD WINNER) and the new release "Playground" (AWARD WINNER). His unique and upbeat songs have a contemporary sound that kids love! Lyrics to all songs are available at [misterbilly.com](http://misterbilly.com) Here is what some people are saying... "Mr. Billy does a great job. I am very pleased that Mr. Billy has added another option for our children's education and entertainment" - Paul F. Jadin (Former Mayor of Green Bay, WI) "We've been following Mr. Billy for more than a year now and I'd say one of my kids is crazy about him because whenever I mention of a Mr. Billy show, rest assured, she won't stop bugging me about it. Among the songs of Mr. Billy she likes are "Reading is Magic", "Bubble Trouble", "The Dog Eat My Homework", and "The Ants in Your Pants Dance". I think most of Mr. Billy's songs are educational and they are really intended for children since their wordings are easy to understand. I should mention that every show Mr. Billy does is really fun and entertaining". - Edna C. Justice, Parent of Two "I give Mr. Billy my strongest recommendation" - Damian LaCroix (Principal, Suamico Elementary School) "As the branch supervisor and children's librarian, I highly recommend Mr. Billy to other libraries or organizations interested in booking concerts or music education programs for kids and their families" - Sandy Kallunki (Supervisor, Brown County Library - Southwest Branch) "This was the first time I have ever been at a school concert where the children actually seemed to enjoy the songs and

singing/participating." - Mary Miller (Parent) "Mr. Billy uses a unique electronic sound to accompany both his original songs and familiar classics. Not only was Mr. Billy's show entertaining it was educational too."

- Sue Lagerman (Brown County Central Library) "I still have kids who bought his CD who will listen to nothing else in the car. He could be the new King of Kiddie Rock N Roll!" - Sharon Weber (Jefferson Public Library) "Mr. Billy presents an energizing event. His program was a true aerobic experience with music that makes you listen, learn, enjoy, and rock." - Chris Moede (Brillion Public Library) "Diego 5 and Andres 3 just love you, there are your number one fans. They love your music, and Diego has express that he likes the fact that is rock and roll." - Yolo Diaz (Parent) "My children and I love your music. I run a daycare and my kids put it on all the time. The favorite song is big bad bullies. I think I know it by heart." - Valerie Domke (Parent Daycare Owner) "I have children ranging from 4 months to 12 years of age and they all enjoy you immensely. The children ask to put your CD's on before the vehicle is even started and they sing along to all the songs. Your music is so easy for the young children to pick up on and they are constantly dancing to the rhythm." - Kathy Stein (Parent Daycare Owner) "The director of our public library saw him perform recently and told me we needed to book him because he was the best performer she has seen for children. We have had numerous assemblies in the past but this was by far the best overall experience for our students." - Tony Bolz (Principal, Barrie Elementary School) Mr. Billy is also the creator of the "Six-Trait Songwriting" and "No Bullies Songwriting" school artist in residency programs. These programs are literacy based; rich in concepts and principles found in the theory of multiple intelligences, but most of all they promote learning in a very sneaky fun-fill way.
