

## Mp3 Mythology - Touch Tones

[DOWNLOAD HERE](#)

This album is a new vibe in Hip-Hop. It isn't the common everyday music, it's better. It's a combination of lyrics, stories, rhythm and musical composition wrapped in one cd. (Quote Myth on that..) 21 MP3 Songs  
HIP HOP/RAP: East Coast, CLASSICAL: New Age Details: What's going on my peoples... This is M-Y-T-H representing the lyrical side of Hip-Hop. I can assure you this album is an independent smash! I spent alot of time writing it, it took about a year to do it. To give you some news that'll keep you on yo'toes I got another album in the making entitled MassStatic: The Motion Picture. That cd is a monster! After that I have another one called Life Phazez. I won't tell you anymore but I also know how to produce write R&B and of course rap. I spend almost everyday perfecting my flow. I grew up around Detroit for most of my life but I was born in Longbeach,CA. To all of you who read this thank you for even considering listening to me. If you like what you hear or you wanna chat with me feel free to email and ask me whatever you want to know. I'd be more than happy to assist you.... Thanks as always RHYMELIFE for LIFE baby!!!!
