Related styles: COUNTRY: Modern Country, EASY LISTENING: Soft Rock People who are interested in Jim Croce should consider this download. Details: To the delight of animal lovers everywhere, the Christmas tradition now has a whimsical, sensational new twist. What may be the worlds first cat Christmas song and story has finally been released. An idea, which coincided with the beginning of the new millennium with project director Debra Hoagland and author/songwriter Robert Fugo, has become an endearing new version of the story of Christmas entitled Santa Brought Me Cats. The reader/listener, along with some furry friends, will journey back to the first Christmas celebration and enjoy a heart-warming story that will make this Christmas, and many Christmases to come, fondly memorable for children and adults alike. Santa Brought Me Cats is a wonderful feline fantasy consisting of a colorful storybook along with an accompanying musical narration. Also included with this CD package is the original Christmas song by the same name. Roberts music has its roots somewhere between his time spent in such musical groups as Danny and the Juniors (At The Hop) and his work on this uniquely fascinating project at the Warner Brothers Studios in Nashville, Tennessee. Also collaborating on the production are Grammy-winning producer Phil Nicolo (who has worked with Billy Joel, Aerosmith, Sting, Bob Dylan, The Rolling Stones, James Taylor, and Bon Jovi) along with the Director of Warner Brothers Studios recording engineer Clarke Schleicher (Sara Evans, Martina McBride, Dixie Chicks, "Taylor Swift" and Amy Grant) as well as musical greats such as Alex DePue (a top ten internationally ranked fiddle player), and the bassist for country superstar LeAnn Rimes. Santa Brought Me Cats is sure to be an unforgettable Christmas

experience for everyone big and small.
