NEW AGE: Healing, NEW AGE: Meditation Details: IMMERSION IS FABULOUS FOR: Yoga, meditation, massage, healing environments, drifting off to sleep, and creating a beautiful, heartfelt ambience in your home or office. Long time new age music fans will remember Sky Canyon's classic bestsellers Breathe, Petals, and Summer Suite (combined sales of over 100,000)-these were household names in the genre back in the early 80s. NAPRA Trade Journal praised Breathe as a "classic album. . .caresses your skin," and Petals "truly beautiful music that sweetly soars," naming them "golden oldies" of new age music. Keyboard Magazine described Summer Suite as ". . . consistently suffused with light." Now Sky's back with a new release, exhibiting mastery of his craft, producing a beautiful work of alchemy-music that resonates with exquisite temporal patterns and soaring melodies, perfect for relaxation and the healing arts. Immersion is already being used to enhance video and audio healing meditations by Al Huang, Illana Rubinfeld, Shakti Gawain, and other noted leaders in the human potential arena. Early reviews of Immersion: ". . .heals the heart, calms the mind and helps the spirit soar." - Penny Price, Producer/Director/ Writer,Award Winning Mind/Body Healing Programs for Video and TV "Captivating; an instant hit on my show!" - Sequoia Sun, Host of "Alternate Focus," KDNK, Carbondale, CO "Deeply layered and beautifully produced; hints at emotion and places of inner insight then waits patiently as we follow within the currents at our own pace." - Bess Carrick, Producer, Blackbird Films Visit [watercoursemediato](#) check out other albums by Sky Canyon, including Breathe, Petals, Summer Suite and more.
