

Mp3 Steffen Heins - Jenni Rain

[DOWNLOAD HERE](#)

Modern Folk, Roots, Americana... whatever you want to call it, you found it here. Steffen blends folk, rock, country, and an occasional twist of the blues. All original. All acoustic. Just like the live show. 13 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Acoustic music from the Heartland. This potential break-out songwriter will remind you of John Hiatt and the Guthries. Great album featuring the classic combination of acoustic guitar and smooth vocals. Steffen hails from the midwestern state of Iowa, where his roots bring you down to earth in his songwriting. The Jenni Rain album was preceded by a tape release of the album "On and On" which included 11 original songs. Several songs from the "On and On" album are expected to be released on MP3 in the future. Steffen is currently working on his third release, due for release in 2005.
