Free-folk Show all album songs: Talkin' Barfly Blues Songs Details: Tom Azarian (Tom Banjo) is an ex farmer/millworker. His Southern-based music has always been the real deal a mixture of keening Appalachian laments, wild banjo romps, and lonesome blues. Azarian plays them all with soulful gusto, following his inner metronome as well as his rambling muse. There's nothing slick or homogenized about a Tom Azarian performance. Yet beneath his steadfast homespun-ness lie considerable musical skills.
