New old stock garage bubblegum, odd math soul grooves, salty campfire choruses, Farfisa laden sticky sweet power pop, fuzzed out tart twang. 11 MP3 Songs POP: Quirky, ROCK: Math Rock Details: R. Leon Goodenough, the guitarist and songwriter for Clergy, originated the Yum Yum Children as a solo side project. Gradually incorporating members of Flock 14 and Sometimes Sunday by 1993, the Oregon-based group began to play melodic alternative rock with harmonic vocals. True alternative music has returned once again with this classic yum yum children cd "used to would've." to get an idea of their sound, imagine if you will the violent femmes, camper van beethoven, and the b-52's all mixed up and accompanied by a whiny church organ and many other obscure instruments. Artistic genius.
