

Screen Shoot-it Mrr

[DOWNLOAD HERE](#)

Screen Shoot-It is a simple and easy to use program that will easily capture screenshots from your computer. This program has been around for awhile, but still the easiest, fastest and best at an unbeatable price! Features: Captures the last active screen, full screen or user selected area. Also numbers each picture consecutively. Creates jpeg images. Capture the entire screen, active window or select what you want! Full Master Resell Rights Included! Don't Miss this Special Pricing
