Are You Using The Power Of Twitter To Market, Sell, and Make Money Online?" If not, you can be in the next 10 minutes, just like Mike Filsaime, Seth Godin, and other marketers. Dear Colleague, It's on the news...the world wide web is changing, and people are connecting online faster and wider than they did yesterday. If you are up to speed on the new websites online, you can easily build your business faster than your competitors, and faster than you ever imagined before. Twitter is at the forefront of this revolution, with some of the most viral marketing happening through a short "twitter" sent by someone who knows how to use the system. With Twitter Power Marketing, you can: Connect with powerful, influential people and get their attention. Enter into conversations that would otherwise be impossible for you to even know about. Attract people to follow you, so they listen to everything you publish. Learn what is hot in the marketplace. Get your questions answered in record time. Find new markets, new friends, new resources in just minutes. Build your list, and sell more online using your Twitter network. It's an impressive list of capabilities that open to you when you uncover the power of twitter. I don't mean going to twitter and making money, but instead using twitter with all the tools and resources that now exist, so

you can instantly make use of the true power of the twitter system. I don't want to waste your time or money, so here's the deal: You get the Twitter Power Marketing Manuscript, with all the details you need to make maximum use of twitter and all its power.
