Osprey's second title examining the Battle of the Bulge, which was the largest and most costly battle fought by the US Army in World War II (1939-1945). When the attack in the north by 6th Panzer Army failed, Hitler switched the focus of the offensive to General Manteuffel's 5th Panzer Army farther south. Overwhelming the green US 106th Division, German Panzers flooded towards the River Meuse. Barring their way was the crossroads town of Bastogne, reinforced at the last minute by the paratroopers of the 101st Airborne, the Screaming Eagles. The stage was set for one of the epic struggles of the war the battle for Bastogne.
