

Groundwater And Subsurface Environments

[DOWNLOAD HERE](#)

Part I Subsurface Environmental Problems and Urban Development in Asia- 1. What are the Subsurface Environmental Problems? Makoto Taniguchi -2. Asian Urbanization and Its Environments Gayl D. Ness -3. Urban Development and Water Environment Changes in Asian Megacities Akihisa Yoshikoshi -4. Comparative Analysis on Land Use Distributions and Their Changes in Asian Mega Cities Akio Yamashita- Part II Groundwater Degradation and Resources Management - 5. Monitoring Groundwater Variations Using Precise Gravimetry on Land and from Space Yoichi Fukuda -6. The Proposed Groundwater Management for the Greater Jakarta Area, Indonesia Robert M. Delinom -7. Review of Groundwater Management and Land Subsidence in Bangkok, Thailand Oranuj Lorphensri, Anirut Ladawadee, and Surapol Dhammasarn - Part III Groundwater Contamination and Loads to the Ocean- 8. Detecting Groundwater Inputs into Bangkok Canals Via Radon and Thoron Measurements Supitcha Chanyotha, Makoto Taniguchi, and William C. Burnett -9. Subsurface Pollution in Asian Megacities Shin-ichi Onodera- Part IV Subsurface Thermal Anomalies Due to Global Warming and Urbanization- 10. Comparisons Between Air and Subsurface Temperatures in Taiwan for the Past Century: A Global Warming Perspective Chieh-Hung Chen, Chung-Ho Wang, Deng-Lung Chen, Yang-Yi Sun, Jann-Yenq Liu, Ta-Kang Yeh, Horng-Yuan Yen, and Shu-Hao Chang -11. Evolution of the Subsurface Thermal Environment in Urban Areas: Studies in Large Cities in East Asia Makoto Yamano -12. Urban Warming and Urban Heat Islands in Taipei, Taiwan Yingjiu Bai, Jehn-Yih Juang, and Akihiko Kondoh- Part V Integrated Assessment of Subsurface Environments in Asia- 13. Long-Term Urbanization and Land Subsidence in Asian Megacities: An Indicators System Approach Shinji Kaneko and Tomoyo Toyota -14. Sinking Cities and Governmental Action Institutional Responses to Land Subsidence in Osaka and Bangkok Takahiro Endo -15. Chemical and Physical Evidences in the Groundwater Aquifer Caused by Over-Pumping of Groundwater and Their Countermeasures in the Major Asian Coastal Cities Jun Shimada- Index EAN/ISBN : 9784431539049 Publisher(s): Springer, Berlin, Springer Japan Discussed keywords: Grundwasser, Hydrogeologie Format: ePub/PDF Author(s): Taniguchi, Makoto
