bass on "Black Sun" It has been quite a journey a long journey infused with joy, passion, magik, love,  
mystery, pathos and even some tragedy. We hope the music reflects all the elements of the journey. One  
of the tragedies during the making of Magik Mayhem was the loss of a very dear friend, The Butterfly,  
a.k.a. Jamie Chez. Jamie appears on "Say My Name" playing bass and guitar. He was a gifted and  
versatile musician; and his warm, gentle spirit and wonderful sense of humor left no one he encountered  
untouched. Its this spirit that lives on and continues to inspire us. At AREA 27 we believe in spreading the  
love, and a part of the love we are spreading comes from our friend Jamie Chez. A portion of every album  
and download sold will be donated to Jamies daughter Nova at novasfund.org. Special thanks to MJ  
Denton, Justin McCartney, Viveka Davis, Richard Reed, Ed Davila, and Snowball, and to all our friends  
who have been so helpful and supportive during the making of this album. MAY THE MAGIK BE WITH  
YOU!!!
