Flute,sax, keyboards create a relaxing excursion into the contemporary art of jazz improvisation 8 MP3 Songs JAZZ: Free Jazz, JAZZ: Smooth Jazz Details: Original compositions and melodic expressions highlight this studio performance by the Jazz duo of flute/saxophonist Charles 'Rahmat' Woods and keyboardist/engineer Glen Arnett. East Coast based, leader/composer Charles 'Rahmat' Woods says: "My previous CD was a musical tribute to Jazz great Roy Haynes ('Modern Music Therapy' RAHMAT SHABAZZ #ASR020), and many of our fans asked me when we were going to record some of the original compositions we perform during our varied sets. I decided to produce some of this work in the intimate orchestration of a contemporary Jazz duo. Arnett Studios of Washington, DC met my criteria, and we were able to construct a recording that is refreshing, relaxing, and a pleasure to listen to". About the Music: TAHIRA AND ALI (THE WEDDING SONG): was written for the wedding of a beautiful couple. A wedding is truly the bonding of two persons...two families...two worlds. This composition represents a loving dialogue, and a hope for a joyous life of love and respect. ELEVEN FIFTY NINE : This song represents the peace which one may feel at the completion of a mission. LITTLE GIRL: concerns for our children's future prompted me to write this tune. TIME IS SPACE: ...a movement of silence. TANTANKA YOTANKA and CHIEF CRAZY HORSE: written for two of the most courageous Native warriors we know of...their stories must be remembered. ALICE COLTRANE: this was written in honor of this great pianist, harpist, composer, and musician. NOH CHANGE: inspired by the great Japanese drama style..with a funky twist! THE R.H. ELEMENT: a composer's tip of the hat to master drummer Roy Haynes. This track also features seventeen year old drummer, Terence Arnett. ...I hope you enjoy the samples and buy this CD...Peace!
