Edgy vocal pop/rock; "masterfully poetic" lyrics, vocally pyrotechnic with thick and raw outlining guitars, and melodies that just won't leave your head. 10 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock
Details: Diary of a Nerd introduces the world to a compelling and infectious singer and songwriter who has been taking ears on a musical roller coaster ride. Rich, pyrotechnic vocals outlined by edgy guitars, and melodies that will just not leave your head were the very things that captivated hometown Bostonian fans to the 23 year old singer, songwriter and guitarist. After a year and half of high anticipation for a davidkidd record release, finally, Diary of a Nerd, offers a 10 song collection of eloquent songcraft, masterfully poetic lyrics, and hooking melodies that run circles round a memory. A vignette series of the past three years of his life, the album menu details stories of spiritual journey in "If You're There", the unknown future in "Who I Haven't Met", love and loss in "Chasing Tornados" and humor with the sarcastically autobiographical "The Nerd". This young mans raw and contagious sounds have you singing along with one listen!
