Expressive Moody Metal with pop sense and classic rock undertones. 9 MP3 Songs ROCK: Modern Rock, METAL: Doom/Stoner Metal Details: Deflowers highly anticipated debut release one would most easily be described as modern progressive emo/hard rock. Compelling lyrics and vocals over dynamic guitar surges and mathematical percussion Combine to deliver an experience most closely related to the likes of Tool, Soundgarden or even Radiohead. Ranging from the radio Friendly tracks Everythings Alright and American Queen to the heartwrenching Why dont you feel to the Frightening They might be listeningand Wishes come true. Deflower definitely wants you to feel the music as well as hear it. Deflower also chooses track #8 to give an up close look at the bands guitar prowess with minuet a four minute long entrancing duet of classical guitar. Deflower one will put you inside the bands sometimes violent mood swings and not let you go. Youll never feel so good being scared.
