

Mp3 Dj Garth - The Cisco System

[DOWNLOAD HERE](#)

From the label that started it all, this compilation mixed by Wicked DJ Garth features many of Garth's own productions, along with other pioneers of the San Francisco House sound. 12 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: House Details: DJ GARTH THE CISCO SYSTEM TRACKLISTING: 1. Crosstown Traffic - Open Sesame 2. Dano Joeski - For Your Love 3. The Mirror Boys - See The Music 4. Rocket - People 5. Garth ETI - Twenty Minutes of Disco Glory 6. Rocket - Cisco System 7. Crosstown Traffic - Twilight 8. Rob Paine - Never Can Say Goodbye 9. DJ Rasoul - Loves Theme 10. Rocket - Between The Lines 11. Doktor Know - Slow Burner 12. Rocket - Is This Love? Seek this mix album out and sack the DJ for your next house party. Garth got the funk. SLEAZENATION May 2000 Leave it to an Englishman to reinvent the house sound of San Francisco. Whether recording as Crosstown Traffic or Rocket, Garth's crisp production style shines through with an infectious groove. The Cisco System is the first collection from Garth's successful Grayhound imprint featuring the cream of their output. XLR8R May 2000 If Lee Scratch Perry made house music, it might well sound like this. One hell of a compilation. MIXMAG UK May 2000. Catalogue # GND001 Barcode # 696397720012 Format CD Album File under House
