If you dig Sting, Seal, Buckley or Costello, you are going to love High Low. 10 MP3 Songs URBAN/R&B: R&B Pop Crossover, POP: 80's Pop Details: Singer, songwriter, musician for over 25 years. Heavily influenced by the big bands and be-bop of the 40's, the rock roll pioneers of the 50's, the Motown revolution and british invasion of the 60's, and the funk and fusion of the seventies. Doug started down the songwriting path at the age of 15 with his partner Jeff Davis Cooper. After many years in and out of semi succesful groups in Southern and Northern California, Doug has focused his energies producing for himself and a series of other artists on the swrecordslabel. His sound is a blend of old school soul / funk (Sly The Family Stone and Earth Wind Fire) and rockabilly / pop (The Everly Bros. The Beatles).Doug Cash is currently distributed to college radio across the United States, The United Kingdom, Canada, India and Spain. Feel free to write a review and thank you for supporting independent music. These tracks are also available at: appleiTunes.com. DC Pryor President swrecords.net Reviews: Doug, You have got to be one of the most talented artists on Soundclick! Your tunes have 'Pro' written all over them and your guitar and singing are nothing short of exceptional! Rock On DC!!

_____ Thomas Dobson soundclick.com/thomasdobson Hi Doug, "High Low" is a terrific song. Love the line about buttering biscuits. :) Solid playing and good vocals. Nice work. Euan. _____ Euan soundclick.com/euan
