"TAIM" represents the personal and spiritual connection between Hip-Hop and this front range emcee/producer. EGOed comprises one third of Colorado's StillCatchinWreck crew and has lived his music alongside his companions since arriving there in 1996. Originality and creativity abound throughout this release as EGO delves deep within and unleashes the primordial flow inside. Production credits for "TAIM" also fall under his guidance aside from "Throwspace" produced by fellow crew member KoveOne. Other appearances include Dj Cenik (SCW) on cuts and guest vocals on "Hermit" courtesy of C. Springs veteran Distrakt. As a whole the writing within "TAIM" is complimented beautifully by its production which serves as a worthy vessel for EGOed's words.
