

## Mp3 Heather Kropf - Sky

[DOWNLOAD HERE](#)

A beautiful debut effort from vocalist/songwriter Heather Kropf. Her piano-based songs are warmly introspective; an honest blend of folk and pop, with glimmers of jazz, classical and world. Great stuff. 11 MP3 Songs FOLK: Folk Pop, POP: Piano Details: what people have said... "Local folk singer and songwriter Heather Kropf pens beautifully detailed songs, teaming them up with the area's best acoustic players. She represents a new wave of young singers on the edge of representing the region to a wider audience." - WYEP, 91.3 FM, Year in Review " With a heavenly voice somewhere between Aimee Mann and Jill Sobule, Heather Kropf's debut CD Sky (Reverie Records) is a welcome change of pace in these days of uptempo-whiny-middle-class-white-boy-tirades. The tempos are mellow but not maudlin and, as a piano player, Kropf is melodic and delicate but powerful....Great stuff." - Pittsburgh Magazine "Combining mature yet sweetly breezy vocals with elegant piano playing and flowing string arrangements, Heather Kropf's debut CD bridges a mellow jazz vibe and folk roots. " - In Pittsburgh "Heather's songs are like an overheard conversation. They draw you in; they make you want to hear more." - Brad Yoder, musician songwriter
