

Mp3 Industry Overflow - Wait For This

[DOWNLOAD HERE](#)

Intense self produced blockbuster. As indie as it gets. Basement recording on cubase. Boasting elements of heavy rock, punk, jazz, progessive, and much more- seering, memorable vocals and tight, "outside of the box" musicianship. Independent. 11 MP3 Songs ROCK: Hard Rock, ROCK: Progressive Rock

Details: Self produced and recorded in a flooded basememt using 6 microphones, a mixer and cubase. A year and one nervous breakdown later and this is what you have. The epitomy of independant music.

Wondered if it could be done? Listen. Comments and feedback welcomed.
