Come on down and check out the bottom of the sea for yourself. By the way, can you breathe underwater? Mood Swings: (Big band) Ever notice how little kids can be happy one moment and crying the next? Its time to get funky and burn some calories. Dont forget to take a shower though. We cant have you funky all day. Toothless Blues: (Acoustic blues) Your ole pal Toothless Joe with some woids of wisdom. Its always better to listen to some Delta blues than Delta dental. Its All Greek to You: (Traditional Greek) A common expression for writing thats hard to understand. But after this song youll want to wear a pleated skirt and break some drinking glasses. Closet Full of Clothes: (Funk) Did you ever look into your closet and realize that you have plenty to wear but cant decide what? Time for a visit to the donation bin perhaps? Babies: (Modern flamenco) Lots of people are having lots of babies these days. This song is just a brief orientation of what to expect. Dont say we didnt warn you. Geology Rocks: (Punk) A cool tribute to rocks, minerals and all things igneous. We know youll dig it. Mr. Lazybones: (Reggae) Thats right. Were talking about you, sleepyhead. Get out of bed; get to work; take out the trash. Do something useful. You dont want to end up on that Dr. you-know-who show, do you? The Season Song: (Folk) There are some elements to seasonal changes that people dont like. (Too cold, too hot, etc.) But if you think about the benefits youll begin to appreciate them a little more. Might this be the last of a

fantastic series of albums? We'll see. Just when we think we're done, a whole new batch of material comes flooding through our minds. Maybe the next time we're stuck sitting in a traffic jam we'll think up another "Brain Jam". Until then, have fun with this one!
