Details: "...I hope you will find a way to continue making such beautiful music. The lyrics are so thoughtful and caring; The music beautifully enhances the lyrics; And, the singers are just superb." - Wayne Gregory West Chicago, IL "It was indeed, a wonderful experience to also hear the wolves, and be part of a forest of fluttering butterflies, and go beneath the ocean's surface to view a panorama of light, motion and sound! The past hour has been one of the most rewarding and thought provoking experiences that I've ever had on the web. The music is so terrific and so professionally performed. It rivals any of the tributes that have been produced since John's death...and I have most all of them!" - Dave Snouffer Toledo, OH "I was so deeply touched by the lyrics and music. The only other to do so was JD himself." - Audrey Warren Launceston, Tas Australia
