A mixture of top 40, urban R&B and hot adult contemporary. A music and vocal blend of new style melody old school grooves. 13 MP3 Songs POP: Today's Top 40, URBAN/R&B: Urban Details: "When you are formed and fashioned to do something, you can't run away from it. That's what happened to me, and I haven't turned back since." This belief is the driving force behind the rising star of singer/songwriter Lindsay R. Watson. Her untapped potential as a songwriter emerged during the recording process, and as a result has produced what some have called "What we have been missing" in the industry. Classic loves songs such as "I Tried" and "This Love" emerged in Lindsay's debut album "Eyes Wide Shut". Though the process was marred with frustration and emotional challenges, Lindsay says her faith in God and perseverance brought both albums to fruition. Lindsay's sophomore album, "Willing to Change", exemplifies what it means to change and develop as an artist. From the first single "Willing to Change", to the sultry love song "Keep on Lovin' You", this album is going to make an impact for a long time to come. "Willing to Change" has gained widespread national attention of magazines, radio stations and promoters. This collaborative project has pushed Lindsay into a new realm of Top 40, Urban R&B and Hot Adult Contemporary styles that has only been accomplished by a select few in the industry.
