A solo piano tribute to some of the great modern jazz composers (Miles Davis, T Monk, Bill Evans etc) from virtuoso pianist Marilyn Seits 13 MP3 Songs JAZZ: Jazz Fusion, JAZZ: Smooth Jazz Details: KARMIC TRIBUTE: Cool Piano Jazz KARMIC TRIBUTE is a solo jazz piano tribute by Marilyn Seits to some of her favorite composers including Keith Jarrett, Carla Bley, Steve Swallow, Bill Evans, Monk, Mingus and Strayhorn. Marilyn successfully combines the stylistic elements of each composer/player/arranger into their respective pieces while maintaining her own unique style of phrasing and voicing. These freshly innovative arrangements make KARMIC TRIBUTE a rich, dynamic and cohesive listening experience. ----- HERE'S WHAT PEOPLE ARE SAYING ABOUT KARMIC TRIBUTE "On this gorgeous solo effort, [Marilynn] communicates on a very deep level, exploring the emotional, as well as melodic and harmonic, content of composition..." Bob Weinburg, CITY LINK MIDWEST RECORD RECAP ...former member of the Chicago progressive jazz community pulls out all the stops on this solo piano tribute to the ECM and Impulse stars as well as the progressive stars from before it was a genre. Billy Strayhorn is the ringer on board, but she takes on his more challenging works and the theme holds. A solid set that comes from the heart, this piano tour de force is a solid bet for genre fans looking for a meaty set that mixes the old and new properly... JAZZIZ: INDIE CULTURE ...a solo piano tribute to Marilyn's favorite composers including Evans, Monk, Mingus and Strayhorn. Songs by Billy Strayhorn, Thelonius Monk, Charles Mingus and Bill Evans are lovingly rendered, conjuring a raft of complex emotions. So are those by Chick Corea, Keith Jarrett, Carla Bley and Steve Swallow, showing that Seits is rooted in the modern practitioners who followed Evans' deep psychological example, as well. Seits does honor to them all... -----

VIBRATIONS with the Vibrations Jazz Ensemble, SOUNDSCAPES with Peter Ponzol and Abbey Rader and SUDDEN DEPARTURE with the Ray Oram Jazz Octet. -----  
----- Pianist Marilyn Seits has been playing professionally for over thirty years now and has released seven other CD's on her own CMR Records label. This piano tribute was recorded on a Bosendorfer piano with 2" analog tape, Neumann tube microphones and very little digital processing. What you hear on this CD is a virtuoso performance of several beautiful and haunting pieces, some of them not often heard. If you love piano jazz and the music of Strayhorn, Mingus and Monk, you'll love this CD!
