Mark's contemporary acoustic music fuses a broad spectrum of genres: from smooth jazz to acoustic funk. Add to that his agility with a pen and a six-string, and the result is a collection of songs that move gently and groove powerfully. 11 MP3 Songs FOLK: Modern Folk, ROCK: Acoustic Details: Mark Austin's powerful debut CD, "Cool Water," includes a fresh lineup of acoustic guitar, upright bass, and a variety of percussion. But don't let the lean lineup fool you. "Cool Water" is packed with punch. And thanks to influence from legendary songwriters and guitarists such as Richard Thompson, Bruce Cockburn, Leo Kottke, and Janis Ian, that musical punch is packaged with Mark's tightly-woven lyrics and skillful guitar work. His music is sure to capture the attention and imagination of any listener.
