Music MONTE STEPHENS BIO THE GHOST IS BACK! After a ten-year absence from the studio,  
Stephens is releasing his new album "TIME". His 1994 "OUT OF HIS SIDE" album gave him TWO # 1  
hits and six songs made the international TOP 20. Nominated for "Album Of The Year" "Songwriter and  
Veteran Vocalist Of The Year" and won the "Horizon Award" and disappeared once again from the music  
scenic. Now the ghost is back! With the recording of "TIME", many in the music industry say it is  
Stephens' best to date. Nashville engineer Ken Isham who has over 30 years experience at the mixing  
board said, "after this project was completed, I would find myself getting out of bed at night and going to  
the studio and listening to it again. In my view it's one of those recordings that wins awards." Freedom  
Records producer Gerri' Dee said, "looking at the world of music through Monte's windshield is a  
challenge, but I was blessed to be apart of the creative process." Called the "godfather of Christian  
country music", Stephens has been writing and performing his country style of gospel music three  
decades before the Christian Country Music Association was formed in Nashville. "TIME" has been in the  
making for three years, picking songs Stephens has written over a four-decade span of time. Monte also  
chose a couple of songs written by two dear friends, Sammy Ammons and D. Royce Baird, both of which  
have had gold and platinum ink flow from their pens. Know to include on his recordings a gospel classic,  
Monte chose Ronnie Hinson's "When He Was On The Cross." Hinson upon hearing Monte's vocal  
performance of his classic said, "I loved his vocal phrasing, Monte truly made the song his own. Quoting  
the remarks of others about one of gospel music's "unique stylists" is totally insufficient. The album  
"TIME" must be heard, to experience the spiritual journey through music Monte will take you. I walked

away with the feeling "what a ride." Freedom Records: Publicist Ron Lewis
