

## Mp3 Myndseye - Wired

[DOWNLOAD HERE](#)

MyndsEye contains original, multi-genred vocal and instrumental tunes that are upbeat and positively FUN .. 10 MP3 Songs POP: with Electronic Production, URBAN/R&B: R&B Pop Crossover Details: Welcome to the musical journey of the MyndsEye "solo project". All the material you find by MyndsEye...including the MyndsEye "WIRED" CD... is original and has been composed, arranged, performed, recorded and produced by MyndsEye. The "solo project" has run full steam ahead over the years to entertain YOU----the listener--- with upbeat and positively FUN music. The material is multi-genred ranging from classical to rock, hiphop to electronic, dance to easy listening, alternative to r&b... and just about every style inbetween. MyndsEye has never been "stuck" in any one particular genre or style. The music is "FEEL GOOD" material and totally varies in groove from one song to the next....which explains...in part...why his music can move you on so many different levels....it transcends genre classifications The catalogue contains releases that have "shades" of Dr. Dre, Jimmy Buffet, Dire Straits, The Parliments(funk-a-delics), Blue Man Group, Yanni, Weird Al Yankovich (yes, even Al -:) and many others...which only attests to the broad variety MyndsEye is able to capture with his music. The popularity of MyndsEye is no stranger to the digital music world of the internet. Since the inception of the MyndsEye "solo project"... along with CD sales...internet streams and downloads have been massive...accumulating well over 3.1 MILLION listens from around the globe and producing numerous #1 hits lasting not only weeks.... but MONTHS on their respective internet song charts. As the numbers keep climbing...so does the musical enjoyment that MyndsEye is able to capture for the listener. MyndsEye builds what he aptly calls a "wall of sound" with his music without needless sonic clutter and skillfully fashions complex and enjoyable melodies that both move the body and engages the mind. He has enjoyed the privilege of having several of his songs licensed for video and film work, compilation CD's,

has been chosen by the public and industry pros as a MakeAstarfinalist winner in their highly competitive song competition and was voted the Grand Prize Winner of the "2001- A Musicians Odyssey" music competition sponsored by MusiciansFriend Magazine (the worlds largest musical gear company). So don't be shy...pick up a copy of the MyndsEye "WIRED" cd today.....and enjoy -:) While the CD is being delivered...You are invited to listen to MORE of MyndsEye at [soundclick.com/MyndsEye](http://soundclick.com/MyndsEye) Please feel free to drop an e-mail...even if to just say hello. MyndsEye will most definitely respond back to all who take the time to write. He'd LOVE to meet and to talk with you.....he's always just a click away -:)
