Silly songs do bend my ear, and everyone has one to sing. 10 MP3 Songs KIDS/FAMILY:

Sing-Along/Interactive, KIDS/FAMILY: Kid Friendly Details: "Silly Songs Bend My Ear" is made up of ten animated songs on DVD. Two animations have classical backgrounds, and most offer lyrics to read. The songs on the DVD can be downloaded. Children can view the songs on the DVD over and over going to their favorites by the use of the motion menu at the beginning. The first story is about the ant worker, as he sings his silly song. I think this one is my favorite, because the ant finds it so important to finish his task. Hope you enjoy my silly songs. sj glaser
