

Mp3 Steve Rupe - County Fair

[DOWNLOAD HERE](#)

County Fair is Steve Rupe's first release; most of these songs were written in Nashville with Nashville Fats and Daniel Putnam Green. 10 MP3 Songs COUNTRY: Modern Country, COUNTRY: Country Folk
Details: Steve Rupe came to Nashville in 1989. He was fortunate to spend a lot of time at the famed "Bluebird Cafe," where he honed and perfected his songwriting skills and learned the value of co-writing. Many of the songs on "County Fair," including the title cut, were written with good friends Daniel Putnam Green and Nashville Fats. Steve's 3rd CD, "Grace," will be released soon in 2004. Steve has other CD's in development, and continues to write songs.
