Sonic Pop and Roll both you and your little sister can agree on. 10 MP3 Songs POP: Power Pop, ROCK: Emo Details: Still Pink is the dominant three-piece rock band from Norfolk, VA. Rigorously playing out regionally and nationwide, the band has developed an enthusiastic following with their high-energy live shows. Having built up a relentless street team, and establishing themselves as a band sure to pack the house on their home turf, they are now expanding their domain and fan base everywhere. Performing together for over half a decade, the band has developed an intimacy with their fans, creating a consistently memorable and identifiable live music experience. This rapport carries through to the bands work ethic, and has enabled the band to promote themselves independently with success for a number of years. Still Pink has performed at all of the premiere venues in southeastern Virginia on numerous occasions. The band has been on 96X WROX, the areas largest rock station, doing interviews and getting airplay on a consistent basis. Both Alfredo Torres, the stations head DJ, who conducted an on air interview with the band and played three of their songs, and Chad Boykin, of the Late, Late Rock Show, and are both enthusiastic supporters of the group. Still Pink is still featured on the Late, Late Rock Show, and both DJs still receive frequent airplay requests for the band. Still Pink has also traveled and played with bands from around the country, principally in such East Coast destinations as Atlanta,GA, Raleigh,NC, Richmond,VA, Washington,D.C., Philadelphia,PA, and New York,NY. The band has also played out of the East Coast touring circuit, traveling to such destinations as Austin,TX, Nashville,TN, and New Orleans,LA. They have played the South by Southwest Festival (SXSW) in Austin twice; most recently on a thirty-two city, self booked tour of the Eastern US. The band has also played dozens of colleges and universities, including Virginia Tech,the University of Virginia,Salisbury State, Randolph Macon College, and James Madison University in Virginia, UNC Chapel Hill, Davidson College, and East

Carolina University in North Carolina, and others including Georgia Tech, the University of Tennessee, and Florida State University. All that touring aside, Still Pink has also recorded their debut full-length "Airing" with Tim Roberts (U2, Ozomatli, Kelly Clarkson, Fat Joe, R. Kelly) of SoulHaven Studios in Virginia Beach, VA. The album was released independently on December 14, 2006. -Official Still Pink Presskit Literature 2006 "The contents of Airing are ten songs of angst, desperation, and hope. Three guys maturing in their craft and displaying the courage to wear their hearts on their sleeve. Their sound pays homage to early ninties guitar rockers Dinosaur JR and combines it with the deep bass driven grooves of later Cure. Still Pink is a band that needs to be recognized as the talent they are, because with their work ethic and dedication they are capable of doing great things for themselves." -Josh Wright, Relative Theory Records 2006
