John Hartford Hall Oates should consider this download. Details: June 06, 2008 The Half Brothers I

know, I know - I never expected to post about a modern bluegrass album on this blog either, but

sometimes, excitement just gets the better of me. The Half Brothers are a Seattle-based bluegrass trio

(guitar / mandolin / banjo) that puts an irreverent spin on a genre that I admittedly know pleasingly little

about; if you ever wondered what the Hall Oates classic "Rich Girl" would sound like accompanied by

banjo, now is your opportunity. By the same token, the album's not just a tongue-in-cheek fest - it's a

seriously musical affair, featuring rich three-part harmonies and unassuming lyrical depth. ---Scotto
