Jazzy Chicago-style Blues with a strong touch of Roots-Rock, Funk, and more. 10 MP3 Songs BLUES: Blues Vocals, BLUES: Jazzy Blues Details: Santana's latest release; the self-produced Night Flight, is a representation of the cross-section of his diverse musical tastes. Backed by an inspired band, he delivers blues tinged with up-tempo swing, mellow jazz, funky grooves, and rave-up roots rock. Other noteworthy influences that appear are those of Steely Dan and the Cuban mambos and boleros he grew up listening to in his native Miami. Although style is important, make no mistake: it's the feeling that makes the man and his band the real thing.
