

Insomniac - Gayle Greene

[DOWNLOAD HERE](#)

I can't work, I can't think, I can't connect with anyone anymore. . . . I mope through a day's work and haven't had a promotion in years. . . . It's like I'm being sucked dry, eaten away, swallowed up, coming unglued. . . . These are voices of a few of the tens of millions who suffer from chronic insomnia. In this revelatory book, Gayle Greene offers a uniquely comprehensive account of this devastating and little-understood condition. She has traveled the world in a quest for answers, interviewing neurologists, sleep researchers, doctors, psychotherapists, and insomniacs of all sorts. What comes of her extraordinary journey is an up-to-date account of what is known about insomnia, providing the information every insomniac needs to know to make intelligent choices among medications and therapies. Insomniac is at once a field guide through the hidden terrain inhabited by insomniacs and a book of consolations for anyone who has struggled with this affliction that has long been trivialized and neglected. Author: Greene, Gayle Publisher: University of California Press Illustration: N Language: ENG Title: Insomniac Pages: 00520 (Encrypted PDF) On Sale: 2008-02-09 SKU-13/ISBN: 9780520246300 Category: Health & Fitness : Sleep & Sleep Disorders Category: Medical : Neurology - General Category: Medical : Health Care Delivery
