

Mp3 Ariel Thiermann - My Art Is A Bird

[DOWNLOAD HERE](#)

Singer/Songwriter Ariel Thiermann has a voice that will touch your heart. Evocative and catchy lyrics backed by a soulful set up of musicians. 11 MP3 Songs POP: Folky Pop, FOLK: Power-folk Details: "A refreshingly honest message of beauty, light and hope....Here is a voice truly destined for greatness" (Mike Splain, Metro Santa Cruz). "Thiermann is looking beyond the girl-with-guitar mode of traditional coffeehouse folk with a notion to move into territory once gloriously occupied by such icons as Joan Armtrading and Laura Nyro by performing songs of depth and passion married to nuanced musical arrangements" (Wallace Baine, Santa Cruz Sentinel). Ariel Thiermann is a true songstress, possessing a unique gift at blending fresh poetic imagery with evocative melody. She is a "brilliant corsange bobbing in today's junk strewn and noisy musical waters."-Metro Santa Cruz With a voice that can "send a tune straight to the atmosphere," Ariel soars octaves with enchanting melodies. Ariel's talent as a pianist and performer has won her devoted fans from around the globe in over seven years as an independent artist. While a consummate professional in her craft, Ariel brings an authenticity and playfulness onto the stage. Her words are clever and her melodies undeniably catchy, attracting the eye of Starbucks Coffee and Kodak, who have incorporated her music into their products worldwide. Today Ariel's new CD "Behold," can be heard in over 4,500 Starbucks stores across the U.S. and in the popular Kodak program Photo Show. A recent reviewer of Ariel wrote, "With a refreshingly honest message of beauty, light and hope, here is a voice truly destined for greatness." Myron Dove, the former guitarist and bassist for Santana, says: "Ariel creates a very soulful sound with cool imagery. She is definitely one of my favorite songwriters." Ariel Thiermann lives in Santa Cruz, California.
