Deep and emotional acoustic folk pop, ranging from the delicate love song, to the silly little ditty, to the powerful and profound. Carrie's lovely voice and sensitive style draw the listener into the snapshot images she creates with her lyrics. 11 MP3 Songs FOLK: Folk Pop, FOLK: like Joni Details: Well, nothing moves me more than a lyrical song that is emotionally driven. When I was young I started out learning the organ, graduated to the piano, and played my way through a music degree at the University of Alberta. It wasn't until later that I discovered the beauty of creating song through voice and guitar. Self-taught with both, I consider myself a bit of a hack, especially relative to the amount of time I spent with various teachers, working to perfect my classical piano skills. Despite this, I do think that I have cultivated a sound that works: allowing simple harmony to be the backbone for lyrical melodies. Though I love the piano, and I love to play classical music, and I even enjoy writing on the piano every now and then, there is something very intimate and soothing about the guitar: the way it feels, the way it resonates, the way it blends with other instruments and voice. Besides it's far easier to pack around! In 2005, I released my debut recording Pieces of Me; a collection of songs inspired by my excessive journal writing. In April 2008 I released my second recording, Finding Grace; a collection of songs inspired by my attempts at love and poetry. People who are interested in Ani DiFranco Joni Mitchell Gillian Welch should consider this download.
