

Mp3 Clay Greenberg - Tumbleweed

[DOWNLOAD HERE](#)

Born in Texas and raised in Oklahoma, Clay has a birthright to the best of American music. His travels throughout the South and Southeast have provided poignant images and influences for his songs. His own compelling style reveals a cool blend of country, rock, folk and blues. 10 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Clay Greenberg's latest effort, "Tumbleweed" is a stripped down, no nonsense personal insight into his life since moving to Nashville five years ago. With great guest artists like Guy Clark, Jo-EI Sonnier, Verlon Thompson, Suzi Ragsdale and Tommy Spurlock, "Tumbleweed" is sure to be a favorite among Americana fans everywhere. He has opened for or picked with many great acts including Nancy Griffith, Robert Earl Keen, Lucinda Williams, Ray Wylie Hubbard, The Georgia Satellites and David Allen Coe. He is a favorite at Nashville's Bluebird Cafe as well as the Crossroads Music Festival in Memphis, The Tom Mix Festival in Guthrie, Oklahoma, and the Kerrville Folk Festival. Greenberg's travels throughout the South and Southwest have provided poignant images and influences for his songs. His own compelling style reveals a cool blend of country, rock, folk and blues.
