Not just a groundbreaking independent Hip-Hop album, but a nearly 80 minute undeniable experience that is sure to captivate the listener. A Must Buy. See for yourself. 20 MP3 Songs HIP HOP/RAP: Hip Hop, SPOKEN WORD: Poetry Details: Czar is defined as having great power or authority. The Russian sickle symbolized revolution, while the hammer celebrated the country's hard working class. To define his art and position, Czar created the sickle crossed by the microphone. Definition: the revolution he leads with the mic to illustrate his dedication to Hip-Hop. Czar is the artist. Competitive. Determined. Intelligent. about Business- understanding the importance of marketability. Spittin since he was thirteen, Czar has blazed stages at colleges and universities and performances in the Baltimore and Washington Metroplolitan areas. His latest collection of tracks, entitled Episode II, melts the eardrums and showcases Czar as a Hip-Hop purist. The production is absolutely stunning to say the least. Pimlico Slim (StreetRunner Entertainment); mX (Giga.Glaze); Manatarms (DGAF), Thor (Steel Hammer), Larry "Pop" Summerville (Blakscape) all contributed masterpieces that help shape a Hip-Hop classic. No where else will you ever hear a better collection of songs with as many talented producers on an independent level. From its first track to its last, Episode II flows and tells the story of a street life and a person's life. It begs the listener to be attentive and to listen...to the end. Slow forward, design, business and creation by Giga.Glaze: mX and Chase. Fast forward, he has created, StreetRunner Entertainment. Stop, he is David Washington, CEO.
