Show all album songs: Christmastime Is Here Songs Details: I have always loved Christmastime and the songs of the season, and have such joyful memories of my five older siblings and parents crowding around me at the piano singing and harmonizing to White Christmas. This CD started out gradually as a gift for my family and friends...and as many folks expressed a desire to hear more...it eventually became an album. "Christmastime is Here" is a collection of mellow, jazzy, uplifting songs of the season. Enjoy it as you are sipping hot chocolate by the fire, decorating your tree, or opening presents on Christmas morning. Filled with magical, timeless standards and originals, this album is sure to warm your heart and stay in your collection forever.
