Details: Dear Reader, Internationally Known Recording Artist and Producer, Gagnez' (pronounced GaHNyae) brand of Spoken Word Poetry and Progressive Hip Hop is NOT for stupid ignorant people - it IS for people who refuse to be "dumbed down" by the mainstream media. It IS for people who want to enjoy life and experience everything life has to offer. It is NOT for mindless robot people nor useless eaters. It IS for young people who care about their current status in the world and future. It IS for older people who care about present and future generations. In this time that we currently live in - what you choose to feed your brain is very important. If you choose to feed your mind a bunch of dumb sh\*t (i.e. a bunch of dumb sh\*t music by a bunch of dumb sh\*t artist) then you will become a dumb sh\*t. I know that sounds harsh but it is the truth. Of course if you choose to be a dumb sh\*t (or stupid ignorant robotic useless eater) that is your choice - to each his/her own. But if not you've come to the right place - if you listen to my tracks just once a day for one month I guarantee you will become more enlightened than before. Many of my tracks can be played or downloaded at no charge to you (sponsored by others) over the Internet. Feel free to share my tracks, lyrics, and videos with your friends, family, and co-workers - write about them, blog, discuss, and debate them. Something special happens when you share good things with others. If you truly want to show your appreciation for what I'm doing , support the movement by buying a CD, downloaded album (iTunes, Amazon.com, Cdbaby.com), or other Gagnez Merchandise then give it to a friend, family member, or co-worker. Like I said before, something special happens when you share good things with others. Once again if you listen to my tracks just once a day

for one month I guarantee you will become more enlightened than before. Support The Movement Don't Be A Dumb Sh\*t! Sincerely, Gagnez (Digital Signature)
