Lo-fi minor key ambient melodies from Deep Space 9. 7 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Experimental Show all album songs: Astropop Songs Details: graffiti61 is the brainchild of Hollywood based ambient/electronic artist Dominic Massaro. Employing a combination of slow tempos, drones and synth textures he creates music which is haunting yet soothing. Heavily influenced by everything from visual artists such as Basquiat, Picasso, to the sounds of machines, sounds of everyday life, echoes, the hum of appliances he has created his own unique style called astropop.
