

# Mp3 Hamrick - Songs That Make No Sense

[DOWNLOAD HERE](#)

Experimental Rock, Comedy, Jazz and Country Western at its finest... 9 MP3 Songs ROCK: Americana, JAZZ: Weird Jazz Details: The new CD from Hamrick, entitled "Songs That Make No Sense" has been called ingenious and also stupid! - With some songs written over a period of 5 years..... and some in 5 minutes, this CD will pleez the ears and melt the mind. This is an attempt to step into other realms such as Cheese Rock, Jazz Metal, Pseudo-Comedy and other nonexistent genres. Ben Long wrote these songs and sings/plays every instrument (except for sax and pedal steel) on a CD that brings the listener some incredible music as well as some huge laughs.
